

Boone County Senior Services Inc.
Mission and Long-Range Goals: 2014-2018

Mission Statement:

To promote independence and provide enriching opportunities for older adults in Boone County

1. Increase Programming that provides enriching activity for adults age 60 and over
2. Enhance Transportation Services to provide greater access and increased opportunities
3. Expand Personal Services that promote independence for adults age 60 and over and support their family members
4. Strengthen our organizational capacity through broadening our funding options, enhancing our information systems, and maximizing our physical assets
5. Heighten public awareness of BCSSI in general, and specifically regarding the variety and quality of our programs and services
