

At Boone County Senior Services, Inc. (BCSSI), we want older adults to lead meaningful, healthy lives. Our mission is to promote independence and provide enriching opportunities for older adults in Boone County. Through a variety of services, our staff and volunteers provide for the emotional, social, physical and educational well-being of Boone County residents over the age of 60.

We are funded by the United Way of Central Indiana, donations from Boone County businesses and individuals, municipal and local governments, CICOA Aging and In-Home Solutions, foundation grants, agency fundraising, and program fees.
